About Us

The Australian Adventure Expo provides the ideal platform for importers, wholesalers, manufacturers and service providers to reach resellers throughout the Australasian region. Rotating annually between major cities on the east coast, the 2025 edition will take place in Brisbane.

AAE is designed to meet the needs of exhibitors and visitors alike.

For resellers, AAE offers a “one-stop-shop” exhibition platform for the latest and greatest products across all areas of Outdoor, 4x4, Fishing and Hunting.

For exhibitors, we are an extension of your marketing team. The benefits of exhibiting extend well beyond a 2-day event with a complimentary ongoing marketing campaign before, during and post-event.

About the Venue

The Brisbane Showgrounds is a world-class events and lifestyle precinct located just 1.5km from the city's CBD and 15 minutes from Brisbane Airport.

With direct access to quality accommodation, parking, public transport and the vibrant King Street dining and retail hub, it's the perfect place for the industry to gather in Brisbane.

Our customers are important to us! Here's what they have to say about Australian Adventure Expo

"Having just completed the 2024 Australian Adventure Expo, I am reminded again of the importance of this event for BOTH suppliers and retailers alike. "...in an industry where large bulky goods are often the norm, this event enables all to see first-hand products that they may or may not wish to feature on their shelves, plus it provides an excellent environment for business discussions... For me, the AAE provides a vital platform to ensure a healthy environment for all levels of retail, in particular the independents."

Roger Brown
National Sales Manager Wildtrak/Thorny Devil

"AAE was very well organised, like usual. It is an easy show to exhibit at, with customers from multiple industries in the same location."

Brayden Spencer
Aussie Outback Supplies

"AAE in Melbourne delivered results above expectations. We loved the event with a very busy first day, and on the second day which is traditionally quieter, we were kept busy with several quality retailers visiting our stand. I'm looking forward to next year in Brisbane!"

Bill Classon
AFN Fishing and Outdoors

Outstanding Opportunities For Exhibitors

“Thanks to Louise and the team for organising AAE 24. I’ve been doing multiple expos for 20+ years and this year was the best I have done. It was organised, well run, had a great atmosphere, and we had a constant stream of committed buys coming through the stand over the two days, opening a number of new accounts as well as taking great orders from repeat customers. I’m looking forward to AAE 25 in Brisbane!”

Luke Perrier
RPM Innovations & Crab’N Gear

“The AAE was a great opportunity for us to showcase our new range of swags, tents and camping accessories. To be able to speak face to face with retailers and receive such positive feedback on our range was invaluable.”

Lisa
Cranky Croc 4WD & Camping
